DO YOU WANT TO KNOW THE TRUTH?

Part 2

Private Circulation

My dear brothers and sisters,

Generally, in this worldly life, every person shows great interest to get a seat in a good school or college to study well, to get into a reputed job, to get married in a good family. They spend a lot of time and effort for the same.

Similarly, to attain the blissful life after death without suffering and to go to the eternal life (heaven), we need to show more interest and devote time to it.

Passion and Faith

When I asked my Lecturer Mr. Swaminathan during my 3rd year engineering, why you are coming to a Christian church though you are from a Brahmin family, he gave the following answer:

When he was studying M.E., his friends asked him the following question: Some people say that I am the only incarnation of God and others say that I am also an incarnation of God. How is this possible?

What if our country has 1000 Prime Ministers? Could that be the case in reality? Can't be like that.

Isn't the real God who created us sees everyone? So do not bow down to anyone. Do not go anywhere to worship God. Every day before going to sleep, close your eyes with devotion for two minutes and humbly turn to God ask "True God did you come to this earth in human form? Did you shed blood for our sins?" Our lecturer started thinking. How can there be many gods/avatars?

He decided that if he wanted to go to heaven, he had to worship only the true God. Instead of going to any temple as his friends had told him, he started asking the above two questions every day.

Asking for almost one and a half (1.5) years, there was no answer from the true God, still with deep belief he continued to ask the same question with interest, hoping that the real God would give him darshan(reveal) too.

Seeing his passion, Jesus Christ appeared to him in a dream, and said to him, I shed my blood for your sins too and follow me. From the next day, taking the Holy Bible, he started teaching that Jesus is the real sin atonement, savior and incarnation of God.

Then I looked at our lecturer and said: "Well, we believe what you say" and also questioned him "Did your parents believe what you said?". To my question he replied, "my parents did not believe and Jesus would not force anyone".

Yes. It's true. Jesus calls all people with love and He will not force anyone. Those who accept the call of Jesus and follow Him, will go to the place where Jesus is there after their death.

Those who believe in other deities/humans in the world, wherever those deities/humans go, they (followers) will go to the same place after their death.

Since then, I have decided that Jesus is the only one who is the propitiator of sin and savior, and I have been living faithfully to Jesus until today.

Passion and Tears

Nazeela Beevi was a young Muslim girl living in Kollam district of Kerala. She was brought up according to the commandments of the Quran.

One day a believer of Jesus gave a Bible to her at the bus stop and told her that Jesus Christ is God and that you can go to heaven only if you believe in Jesus. She was very angry. She tore up the Bible he had given her, set it on fire in front of him, and vented her anger. But the person did not get angry and said that the time will come when you will take the Bible and tell the whole world that Jesus is Lord.

Back home, Nazeela Beevi couldn't be as usual. Peace and tranquility were gone. She knelt down and raised both her hands in tears towards heaven. At that time, Jesus Christ appeared to her and said, "Daughter! Don't be afraid! I am Jesus Christ who died for you." How can she deny a real God who has appeared to her? She accepted Jesus that day.

Her relatives and family came to know about this change in her and persecuted her, beat her to death as per their faith and finally thought she was dead. She was thrown into the Ithikara river by her father but she believed in Jesus Christ who saved her that day. Even today, she lives as a disciple of Jesus tirelessly Preaching that Jesus is the one who saves us from sin and brings us salvation. You can watch her testimony on YouTube.

Passion and Research

Some people want to know who the real God is and have researched with great interest for years and have written and published the following historical facts in many books.

Swami Vivekananda's Comment on Jesus:

1. If you want Mukthi (Salvation) follow JESUS....is in the top most priority than any other GOD you can imagine - Gnana Deepam part 7, page 294

2. Preach in every nook and corner about JESUS CHRIST…. - Gnana Deepam, part 1, page 128,129

3. If a person accepts Jesus Christ as his Lord, his soul is changed. He will become like Jesus Christ, and his life becomes holy.- Gnana Deepam, part 4, page 500

Jesus Christ in Hindu Vedas/Puranas/Upanishads:

Prajapati is the name given to God in Rig Veda and Upanishads.

1. Hinna Ha-Almahara Wayeldeth Penvey Karat Shemmo Emmanuel Bhavishya Purana 19:2 **Meaning:** The Savior of this world will be born in the womb of a virgin and He will be called as Immanuel

2. Kau Maro Yoko Ajanishtha Buddha In Varvedanvai Uttarat - Atharva-Veda 13:3,4. **Meaning:** A virgin will conceive and bear a son. He is the greatest (In Bible, Isaiah 7:14, Matthew 1:21, Luke 1:31,32)

3. Saganjna Praja Srishtuva Provacha Prajapati Adina Prashti Vishtupha Madi O Ispika Maduk - Sama Veda Thandia Maha Pramanam 2nd Cantom 7th Chapter..

10. Rigveda 10 Prajapati must die (Luke 23:46)

11. Itrayapramana 2:6 He who is beaten does not break His bones. (John 19:33)

Lord Jesus is the savior who came to save mankind from the punishment of sin. He is the only one who save us from sin.

Jesus Christ in Thirukkural:

1. The men, who on the 'King's' true praised delight to dwell, affects not them the fruit of deeds done ill or well - The Praise of God Kural 5

Meaning: *The Lord came to the world to free people from the two factors that lead them to the dark hell: the sin of birth and karma. He brought a special substance redemption/salvation to the world.*

2. Long live they blest, who've stood in path from falsehood freed; His, 'Who quenched lusts that from the sense-gates five proceed' - The Praise of God Kural 6

***Meaning:** The Lord, who lost His five senses (victim) in the trap (on the cross), who solved the original lie of Satan who made man into sin and showed the way to make man moral, will get long life (eternal life).*

Like this, other kurals in Thirukkural also announce Jesus Christ and His salvation.

Two lives after death:

Scripture says that it is appointed to man to die once and after that to be judged (Hebrews 9:27). There are two types of life after death. One, an eternal endless and blissful life with no more suffering/ hunger/crying. This is called heaven/moksha. Another one is Hell where it will be gnashing of teeth, weeping and agony.

Which of these two lives are you going to choose? You can go to heaven if you know the truth about Jesus who died on the cross as an offering for our sins, rose again on the third day and accept Him as your personal savior. This is what the Holy Bible says throughout the New Testament.

Don't be cheated by delaying time. What is the use of regretting after a man who dies with sin is cast into hell (Luke 16:23-31)? Change your mind and not religion. Accept Lord Jesus. Turn away from sin. Live without sin and injustice. Love every human without seeing caste/religion. Reach His (Jesus) eternal heavenly home.
